

Premium Quality Diesel Engine Oil

Sierra

SAE 10W30 / 10W40 / 15W40

GOODYEAR
LUBRICANTS

API-CH-4

Product Description

Goodyear Sierra is a very high performance lubricant for diesel engines. It is formulated with the combination of high performance additives and highly refined base stocks which ensure the control and sweeping away the soot and particles found in high performance engine.

Application

Sierra is suitable for all low emission engines meeting Euro 4, 3, 2 and US 2002 emission requirements. Also it has been tested and proven in day - to - day applications, from severe operation in mining and construction operations. It is also suitable for many brands of Diesel engines, either locally or globally manufactured brands.

Benefits

Sierra provides the following benefits :

- Developed to answer to the very severe technical constraints of new low emission diesel engines
- Good efficiency against bore polishing
- High level thermal stability
- High detergency and dispersancy levels
- Helps protect against wear and corrosion
- Helps to keep the engine clean by protecting from sludge formation

Properties

The exclusive additive system delivers improved engine cleanliness and protection against piston deposits allowing to exceed the demanding requirements of most OEMs. It is adapted to the most severe servicing conditions such as transport, mining and public works. And its excellent thermal stability properties keep the stable enhances the oil change interval prolonged.

Typical Characteristics

Sierra	10W30	10W40	15W40	PERFORMANCE LEVEL- MEETS
API Grade	CH-4 /SJ	CH-4 /SJ	CH-4 /SJ	API-CH-4/SJ
Specific Gravity @ 15°C	0.8945	0.864	0.8798	VW-501.00,505.00
Flash Point, °C	258	232	225	ACEA-A2/B3/E204
Pour Point, °C	-15	-45	-27	MB228.3,MAN 271
Viscosity at 40°C, cSt	220	98	102	VOLVO: VDS
Viscosity at 100°C,cSt	14.75	14.5	14.75	MACK: EO-L PLUS
Viscosity Index	135	154	135	MTU-TYPE 1
Total Base No., Min.	10.5	10.5	10.5	

Typical physical characteristics of Sierra are given in the table. These are intended as a guide to the industry and are not necessarily manufacturing or marketing specifications.

Health & Safety

Detailed health and safety information for this product is provided in a Material Safety Data Sheet which is available upon request from your Goodyear lubricants sales office, or via the Internet on www.goodyearlubricants.me
